

HELP TO THE CONVENT DAUGHTERS OF MARY

Ladies of the cenacle of the Mission in Aventura gather to pray the Rosary of the Mission before the Blessed Sacrament every first Friday of the month at the Convent of the Daughters of Mary, Mother of Mercy in Hollywood, Florida, which is run by Sister "K", the Mother Superior. In the convent there are seven nuns from Africa that have to work to maintain their convent. As a thank you for opening their doors to us and letting us all pray before Our Lord, the cenacle from Aventura gave them various sundries to help a little with the upkeep of their convent. The first Saturday of each month there is a prayer of the Rosary of the Mission followed by a Consecration Mass celebrated by Father Ethel. The convent also participates in the intercessory prayer for the intentions of the Mission worldwide.
